

JetOS93 SDK Release Note

Before Upgrade

Before you use the SDK, please ensure that you know the applied product models and use the correct software version. By reading the file, you can know the new features, changes, the fixed bugs or the restrictions. You can always find the latest SDK in the Korenix web site, <http://www.korenixembedded.com> or get help from Korenix Customer Support, Korecare@korenix.com.

Revision History

Official Release	Release Date	SDK Version	Models	sha1sum
3 th	2011/Dec/19	V0.6	JetOS93, JetOS93 Lite	fcf22b1b6aed18b57540386f700a3576cdbb146f
2 ^{ed}	2008/Nov/21	V0.4	JetBox 9310 Standard	8fd2df692b7176145700684488340b61d49498d7
1 st	2008/Mar/31	V0.1	JetBox 9310 Standard	3763dcb6bc7361364b69e8de498b98b5f042d5c2

Main Component
